Skills

Effective communication

Profile

Dynamic and dedicated Intern Doctor with hands-on experience at GD General Hospital, excelling in patient assessment and clinical procedures. Proven ability to respond effectively in emergencies while maintaining clear communication with multidisciplinary teams. Committed to delivering high-quality patient care and enhancing clinical judgment through active participation in diverse medical environments.

Education

M.B.B.S: Medical Jan 2024
ZHEJIANG CHINESE MEDICAL UNIVERSITY, Hangzhou, China
As an intern doctor, I had the opportunity to work in a dynamic and challenging clinical environment, where I developed both my medical knowledge and practical skills under the supervision of experienced healthcare professionals.

Employment

Intern Doctor May 2024 - May 2025
