SANTOSH
Institute of Allied Health Sciences

Santosh Medical College Hospital

We are a premier 800+ bedded hospital in the heart of Ghaziabad. To provide quality care at subsidized rates to one and all is our motto. Our facility in Ghaziabad brings multi-specialty care within the reach of a vast region of population.

Recognizing the need to bring advanced technology and clinical expertise together, we have taken steps to choose both with the utmost care and have onboard, outstanding clinicians with an exemplary track record to lead and develop teams for excellence in practice, education and research. We are also committed to compassionate care as reflected in sensitivity and responsiveness to patients and their families. For us patient and family satisfaction is paramount.

To empower the clinician, we have put together the technology that would enable early and accurate diagnosis and precision in treatment. For all care givers including nurses, technicians and paramedics who would build their careers with us, we offer an institutional ethos that would nurture individual growth and foster team spirit. While the need spurs us towards excellence in outcomes and care, we promise to always judge ourselves by global standards that are grounded in evidence-based medicine and cost-effective care.

About Us

The Santosh Institute of Allied Health Sciences is a consummated medical entity, the first of its kind in India. It is established in a sprawling area of about 150 acres of varietal landscape in Ghaziabad (Delhi NCR). It is run by "MAHARAJI EDUCATIONAL TRUST" a Public Charitable Trust managed by service-minded philanthropists for whom virtue is not a goal but is a way of life. The Trust has entrusted the development of everyone in the Institution to experienced and enterprising experts in the respective sector with the main objective of achieving state-of-the-art standards, under the dynamic leadership of Dr. P Mahalingam, MD (General Medicine), DM (Cardiology), FCCP, an eminent Cardiologist and Educationist of International repute, who is the Chairman of the Santosh Group.

Today Health Sciences play a pivotal role in the modern health care systems and in curing patients. Santosh Institute of Allied Health Sciences was brought into existence in the year 1995 with the main aim of educating students to become creative bio-medical students and proficient health care professionals. On-going recent scientific research constitutes a major and important part of the Institute activities. The college is well equipped with a State-of-the-art Research Centre which keeps the patients and the extended medical community abreast of the latest developments. Santosh Institute of Allied Health Sciences is associated with Santosh Hospitals, a premier 800 bedded hospital in the heart of Ghaziabad, which has been providing quality healthcare for the people in their diverse medical needs.

Paramedical & Healthcare Sciences has emerged as an important branch of medical science. The increase in the number of patient's variety of diseases and the demand for immense treatment has paved the way for Paramedical professionals. The population explosion coupled with the mushrooming of private and corporate hospitals has provided numerous opportunities for skilled paramedical.

At present, the Institute offers Postgraduate, Undergraduate, and Diploma courses, affiliated & accredited by respective Universities & Councils.
