

2nd WORKSHOP

HOSPITAL INFECTION CONTROL

Friday 9th - Saturday 10th
June, 2023

Learn about:

- Chain of Transmissions
- Prevention Strategies
- Surveillance and Outbreak Control Measures
- Isolation Precautions
- Protecting Healthcare Workers
- Best Practices in Dialysis unit along with CSSD
- Environmental Disinfection Measures
- Biohazard Waste Management
- Prevention of HAIs and Bundle care practices

Telangana State Medical
Council Credit Hours

ORGANISING COMMITTEE

CHIEF PATRON

Dr. D Nageshwar Reddy

Chairman, AIG Hospitals.

ORGANISING COMMITTEE

Dr. GV Rao

Director & Chairperson,
Hospital Infection Control Committee,
AIG Hospitals.

Dr. P Naveen Reddy

Medical Director, AIG Hospitals.

Dr. Pragathi Kottapalli,

Consultant Microbiologist &
Infection Control Officer, AIG Hospitals.

Dr. Anand Gupta

Senior Consultant & Clinical Director
Critical Care Medicine, AIG Hospitals.

Dr. L Siva Kumar Reddy

Senior Consultant and
Director Critical Care Medicine, AIG Hospitals.

Dr. Y.V. Sadhana

Director & HOD Microbiology, AIG Hospitals.

Bindu George

Chief Nursing Officer, AIG Hospitals.

WHO SHOULD ATTEND?

- Clinical microbiologists
- Infection Control Nurses and Infection Control Link Nurses
- Doctors with an interest in Infection Control
- Hospital Administrators
- Quality Professionals
- CSSD Technicians and Nursing Staff
- Endoscopy Technicians and Nursing Staff
- Dialysis Technicians and Nursing Staff

International Speaker

Dr. Priya Sampathkumar
Critical Care Specialist
Infectious Disease Specialist
Mayo Clinic, USA

WORKSHOPS – 2:15 – 5:00 PM

Workshop on Bundle Care Practices.

1. IPC guidelines for prevention of HAP : Critical Care Doctors, Nursing Education & ICU Nurses

a. Sterilization / Disinfection and maintenance of equipment and devices.

b. Prevention of person to person transmission of bacteria.

c. Precautions for prevention of Aspiration.

2. IPC guidelines for prevention of BSIs : Critical Care Doctors, Nursing Education & ICU Nurses

a. Care of Intravascular catheters.

b. Replacement of catheter site dressing

c. Replacement and relocation of device.

d. Replacement of Administration sets

e. Hang time for parenteral fluids.

f. Care of pressure monitoring systems

3. IPC guidelines for prevention of UTIs : Critical Care Doctors, Nursing Education & ICU Nurses

4. Prevention of Surgical site infections : Ms. Sangeeta, AGM of Nursing (OT, Surgical ICU's & Skill Labs), AIG Hospitals

a. Surgical scrubbing technique.

OT Nurses

b. Use of clippers and preparation

3M team

c. Wound dressing

Ms. Fathima & Ms. Sirisha

5. Workshop on Infection Control Audits :

a. Hand hygiene audits

Ms. Ashwini (ICN) & Ms. Triveni (ICN)

b. BMW audits / Linen & Laundry Audits

Mr. Prakash (Quality) & Ms. Abhigna (ICN)

c. Compliance to bundle care practices

Dr. K.Pragathi, Consultant Microbiologist,
Infection Control Officer.
& Dr. CH Nagamani, Senior Resident

d. Safe Injection & Infusion practices

Ms. Abhigna (ICN) & Ms. Manasa (ICN)

e. Environmental cleaning & disinfection

Dr. Sundar (Clinical administrator)
& Ms. Bindu (ICN)

f. Isolation precautions Audit

Dr. Siri Chandana (Clinical administrator)
& Ms. Triveni (ICN)

g. Spill Management Protocols

Mr. Ashok Reddy, Facility GM.

h. Infection Control Permit

Mr. Sridhar, Project Manager

Vote of Thanks

5:00 – 5:30 PM - TEA BREAK & CERTIFICATE DISTRIBUTION
