INTRODUCTION

Unveiling the tapestry of talent, orchestrated on the boisterous stage of Aura 2023 in this edition of "Santosh Synapse" our monthly university newsletter.

This edition is appropriately Titled "Vritti" metaphorically ushering us to the kaleidoscope of brilliance of our very talented students showcasing their pristine performing arts in the vortex of this grandiose moment of the year.

In the similar vein of its predecessor, Aura 2K23 as per this university's custom successfully transcended all borders between the students, faculty and the staffs in Collaborative celebration of diversity and creativity, serving as a testament to the rich cultural heritage that defines our institution and reflects the commitment to nurturing holistic development among our students.

As per customary, this year's cultural extravaganza was meticulously curated to encapsulate the essence of inclusivity, providing a platform for students to showcase their myriad talents. From mesmerizing dance performances that encapsulate traditional and contemporary styles to soul-stirring musical renditions, the stage is set to witness the fusion of artistic expressions that mirror the cultural mosaic of our college.

As we dwell in the brilliance of this revelry, it is of utmost requisite for the acknowledgement of the dedication and hard work of the organizing committee and the countless volunteers who have spared no effort in ensuring the seamless execution of this grand event. Their commitment to excellence is a testament to the collaborative spirit that defines our college's legacy.

Let the curtains rise, the applause echo, and the spirit of cultural unity thrive during this spectacular showcase of talent

PRELIMS

Cultural prelims witnessed an unequivocal enthusiasm from our university students be it medical or dental. Their unhinged thirst to showcase their performance unearthed the uncharted pool of raw talent which flows through their blood which without a doubt stunned the spectators, Judges and the organizing committee. Though several of them weren't able to reach the stage, it really is a testament of Santoshians, always taking that extra leap to make any event a grand success which obviously they inherited from the decades long tradition of this university, passing the torch to the successors. Students who stole the gazes of the Judges ensured their participation to the Grand stage of AURA 2023, although many failed, their impeccable determination revved up the spirit of celebration which would carry on till the last hours of AURA 2023.

CHALO KHELE ANTAKSHARI

With excitement in the air, rhythm on their finger tips and melodies waiting to escape their lips, the students of Santosh university and the esteemed faculty of the institution occupied the Maharaja Hall on 11th December 2023 for AURA's favourite event- a student vs faculty antakshari competition- "Chalo khelein antakshari". The event observed enthusiastic participation from both teams- the students who were not only dancing and singing along the new and old tunes, but also rejoicing in the very memories they were making along with their mentors; and our teachers, who were enjoying every minute of an informal engagement with their beloved students. After a passionate exchange of harmonies and laughter and merriment echoing through the corridors; the faculty was rightfully declared the ultimate winner as they reminisced their own glorious college days and basked in the energetic, positive environment that their students facilitated for this event.

X-FACTOR

On the 1st day of Aura 2023, we had the chance of revelling under the talented contestants of X_factor or talent hunt the event was judged by respective professors Dr. Chandini, Dr. Shweta , Dr. Chetna , Dr. Priyanka and Dr. Abhishek. the contestants showcased their mammoth of expertise in performing arts.
