SDG 8
DECENT WORK AND ECONOMIC GROWTH

Santosh University and Sustainable Development Goal 8: Decent Work and Economic Growth

Santosh University, a leading institution in education and research is committed to contributing towards the United Nations Sustainable Development Goal SDG 8—Decent Work and Economic Growth—focuses on promoting sustained, inclusive and sustainable economic growth full and productive employment and decent work for all. Santosh University integrates these values into its academic programs, research initiatives and community engagements.

Santosh University offers comprehensive programs that equip students with the necessary skills to thrive in the evolving job market. Courses related to management and entrepreneurship in health care education that are designed to foster critical thinking and innovation. The University also promotes the development of soft skills and technical skills essential for decent work opportunities.

The University's research initiatives research includes focus on research initiatives areas such as sustainable business practices. Faculty and students collaborate on projects to analyse trends and propose solutions that align with SDG 8 objectives. Recent research topics have included strategies for reducing unemployment and improving labour conditions in both urban and rural settings. The University has also established an Entrepreneurship and Innovation Cell to incubate start-ups and support aspiring entrepreneurs. This cell provides resources such as mentoring, funding opportunities and workshops focused on building sustainable and competitive businesses. It emphasizes ethical practices and social responsibility, ensuring that new ventures contribute positively to the economy and society. The University is also actively involved in local and regional initiatives that support economic development. Through partnerships with governmental organizations and NGOs, the university helps create job opportunities and fosters entrepreneurship. Students also participate in internships and community service projects that give them hands-on experience

Santosh University is dedicated to creating an inclusive campus that reflects the principles of decent work. It enforces policies that promote equal opportunities regardless of gender, ethnicity or socio-economic background. By fostering a diverse and inclusive environment the University highlights the importance of accessibility and equal opportunity in achieving economic growth.

Santosh University's efforts towards SDG 8 demonstrate its commitment to fostering environments that lead to decent work and robust economic growth. By integrating these goals into its education, research and community interactions it not only prepares students for the challenges of the global workforce but also contributes to a more sustainable and equitable economy. Through continuous innovation and dedication to social responsibility Santosh University plays a crucial role in advancing SDG 8.

Sustainable Development Goals 2023

New: See at one glance Sustainable Development Goals mapped to this organisation

Sustainable Development Goals (SDGs) are specific research areas that are helping to solve real-world problems. Elsevier data science teams have built extensive keyword queries, supplemented with machine learning, to map documents to SDGs with very high precision. Times Higher Education (THE) is using Elsevier SDG data mapping as part of its Impact Rankings. [More about SDGs](#)
