**QUALITY EDUCATION**

**SANTOSH**  
Deemed to be University

Quality Education focuses on ensuring inclusive, equitable, and quality education and promoting lifelong learning opportunities for all. For universities, this goal is directly aligned with their mission to provide high-quality education, foster research, and contribute to the development of skilled individuals who can drive social, economic, and environmental progress.

Santosh University, aligns its educational mission and goals with the principles of Sustainable Development Goal 4 (SDG 4), which focuses on ensuring inclusive, equitable, and quality education for all.

Santosh University implements SDG 4 aligned with this global goal in several key areas:

#### 1. Inclusive Education:

Santosh University works to provide educational access to a wide range of students, including those from marginalized and underrepresented groups. This could include scholarships, outreach programs, and infrastructure for students with disabilities.

#### 2. Quality Education:

To align with SDG 4, the university is focusing on improving teaching standards, modernizing curriculum, and enhancing the skills of both students and faculty members. This involves offering specialized training for educators, investing in state-of-the-art learning resources, and ensuring that academic programs meet global standards of quality.

#### 3. Technological Integration:

With a growing emphasis on digital learning and remote education, Santosh University integrates technology in its educational delivery. This includes providing access to online learning platforms, digital libraries, and other resources to ensure that students have the tools they need for learning, both in-person and remotely.

#### 4. Lifelong Learning:

SDG 4 also emphasizes the importance of lifelong learning. Santosh University is offering continuous learning opportunities, including short-term courses, certifications, and professional development programs to help individuals of all ages keep up with evolving industry trends.

#### 5. Research and Community Impact:

By fostering a research-driven environment, Santosh University also contribute to SDG 4 by developing projects and solutions that address educational challenges in India and globally. These initiatives focus on improving education quality, access, and equity, especially in underserved communities.

#### 6. International Collaboration:

To support SDG 4, Santosh University engages in partnerships with more than 50 global institutions like SEMEY University, Kazakhstan, RAK Medical & Health University, UAE to exchange knowledge, resources, and best practices in education, thereby ensuring that students and educators are part of the global conversation on educational development.

#### 4.2 Proportion of graduates with teaching qualification

4.2.1 Number of graduates	286
4.2.2 Number of graduates who gained a qualification that entitled them to teach at primary school level	286

### **Free Health Awareness Camp on Detection of Diabetes Mellitus**

Date: 25th July 2023 Venue: G Block, Sector 12, Pratap Vihar, Ghaziabad

Organized by: Department of Biochemistry, Santosh Medical College

**Introduction:** The Department of Biochemistry at Santosh Medical College organized a free Health Awareness Camp on the detection of Diabetes Mellitus on 25th July 2023. The camp aimed to raise awareness about diabetes, its early detection, and the importance of adopting a healthy lifestyle to prevent and manage the condition. The event took place at G Block, Sector 12, Pratap Vihar, Ghaziabad, from 10 am to 1 pm.

**NAAC Guidelines Compliance:** The Health Awareness Camp was organized in accordance with the guidelines provided by the National Assessment and Accreditation Council (NAAC) to ensure the quality and effectiveness of the program. The camp aimed to address the health needs of the local community while promoting healthcare awareness and inclusivity.

**Camp Organizing Committee:** The Health Awareness Camp was efficiently organized by the following committee members:

1. Dr. Juhi Aggarwal - Professor and Head of the Department of Biochemistry.
2. Mr. Manoj Kumar Tyagi - Lab Supervisor.

**Support from Local Governing Body:** The Health Awareness Camp received immense appreciation and support from the local governing body, particularly from Mr. Santram Yadav and Mrs. Seema Yadav, who were the elected Pradhans (Parshads) of Sector 12, Pratap Vihar, Ghaziabad. Their active involvement and encouragement played a significant role in the successful execution of the event.

**Participation and Contribution:** The camp saw active participation from the residents of Sector 12, as well as neighbouring areas. The organizing committee, along with the entire Biochemistry Department, worked tirelessly to ensure the smooth functioning of the camp.

**Beneficiaries and Impact:** A total of 122 people benefited from the Health Awareness Camp. Participants received free health check-ups and screenings for diabetes. Educational sessions were conducted to inform attendees about diabetes, its risk factors, early symptoms, and the importance of regular health check-ups.

**Acknowledgments:** The success of the camp would not have been possible without the dedicated efforts of various individuals and departments. Special thanks go to:

1. Dr. R.N Gupta (Associate professor) Dr. Eram Hussain Pasha, Dr. Luna Sinha, and Dr. Sanjukta Naik (Assistant Professors) for their valuable contributions.
2. Mrs. Priya and Mr. Sunil (Senior Tutors) for their support during the camp.
3. Mr. Ashok Kaushik, Mr. Mahender, and Mr. Prabhat (Senior Technicians) for their technical assistance.
4. Mr. Abhinav (BMLT student) for his active participation and support.

**Dispatch of Reports:** The reports from the health check-ups were promptly dispatched to the respective participants. Furthermore, the camp organizers ensured that the residents were informed about their reports by the following evening, promoting a sense of trust and responsibility.

**Conclusion:** The Free Health Awareness Camp on the detection of Diabetes Mellitus conducted by the Department of Biochemistry, Santosh Medical College, proved to be a resounding success. Through the collective efforts of the organizing committee, faculty members, technicians, and students, the camp contributed significantly to the health and well-being of the local community. Such initiatives not only align with NAAC guidelines but also reflect the commitment of the institution towards social responsibility and community service.

### HEALTH TALK SESSION

31<sup>ST</sup> JANUARY 2023, King George Public School, Pilkhuwa, Hapur, U.P.

The Department of Dietetics, under the department of General Medicine organised a Health Talk at King George Public School, Pilkhuwa.

The topic of the lecture was “**Health, Nutrition & Hygiene Awareness**”.

Audience being students of class 5<sup>th</sup>-8<sup>th</sup>, paid attention to the lecture very attentively.

The lecture gave an insight on basic nutrition and better meal pattern for children.

Food hygiene and basic practices related to hygiene.

Health is defined as a state of complete physical, mental and social wellbeing and not merely an absence of disease or infirmity. Hygiene is a set of practices performed to preserve health.

Nutrition is the science that interprets the interaction of nutrients, other substances in food in relation to maintenance of growth, health and to protect the disease.

The points discussed were:

- What is Health
- Relation of Health and Nutrition
- Basics of Nutrition
- Importance of Nutrition
- Types of Nutrients and their sources
- Importance of small and frequent meal pattern
- Good eating habits in children
- Accessible sources of protein
- Importance of Hygiene
- Steps of hand washing techniques

The lecture was concluded with a brief query session with the audience/children.

### **DEPARTMENT OF BIOCHEMISTRY**

#### **HANDS ON TRAINING ON HAND HYGIENE,**

**DATE:** 4th May 2023 **TIMING:** 2pm to 4pm

In order to commensurate “The World Hand Hygiene day” the Department of Biochemistry organized hands on training on Hand Hygiene for the MBBS students, batch 22-23 and staff members of the department. The training program was coordinated by Dr RN Gupta, Associate professor and Dr.Sanjukta Naik, Assistant Professor followed by the other faculty members of the Department of Biochemistry.

When conducted at the appropriate times throughout health care delivery, hand hygiene saves millions of lives each year. Clean care shows respect for persons seeking care while also protecting the health and other professionals who offer that care. Hand hygiene is a strong tool to combat various infections like recent COVID 19. The 7 steps of washing hands are a key to a clean and healthy life.

#### **WORLD RARE DISEASE DAY 2023**

#### **DEPARTMENT OF DERMATOLOGY, VENEREOLOGY & LEPROSY**

##### **Preface:**

Department of Dermatology organized an outreach activity on World Rare Disease Day on February 28<sup>th</sup>, 2023 to celebrate this years theme “ Share your colors: Show your stripes”. It aimed at creating awareness among public regarding rare dermatological diseases and supporting people affected by it.

##### **Execution:**

Dr.Srishti Agrawal (Assistant Professor) initiated the program by talking about rare skin diseases. Dr.Sonali Saxena ( Senior Resident) motivated and encouraged general public to end stigma. Post graduate students from the department successfully participated in the activity.

##### **Tangible Outcomes**

Excellent participation by the faculty, students and general public made this program a success.

DEPARTMENT OF OBSTETRICS & GYNAECOLOGY

Awareness Activity on occasion of International Menstrual Hygiene Day (28/5/2023)

## Preface

Department of OBGY Santosh Deemed to be University (Ghaziabad) in association with Ghaziabad Obs & gynae Society organized an awareness session on Menstruation and Menstrual Hygiene management for the students of Nagar Nigam Balika Inter College Sihani, Ghaziabad

**Objective** of the program was to discuss various aspects of menstrual hygiene management.

## Execution

The Event was conducted at Nagar Nigam Balika Inter College Sihani on the occasion of **International Menstrual Hygiene Day (28/5/2023)**. The students were made aware of Menstruation and its management. They were educated about Green Menstruation and the various products which could be used for the same. About 160 students & teachers attended the session. All sessions were highly interactive with all actively participating in the discussion.

The lectures were taken by:

1. Menstruation and Menstrual Hygiene Management – Dr Manisha Gupta Prof & HOD (OBGY) Santosh Deemed to be University (Ghaziabad)
2. Menstrual Products – Dr Neelima Agarwal Prof (OBGY) Santosh Deemed to be University (Ghaziabad)

## Tangible Outcomes

To make the Females aware of Green menstruation.

## Report of Family Adoption Programme

19.07.2023

Students of first year M.B.B.S. (batch 2022) were taken to visit to **Composite Vidyalaya, Duhai Village, Ghaziabad** for **Family Adoption Programme** on 19 July 2023, as per NMC guidelines. The students were divided in 3 groups and taken in 3 different buses. Each group was accompanied by faculty, Post Graduate students, interns and Health workers. A **plantation drive** was carried out in this visit as an initiative for environment protection and awareness. Among every group of 3 students, 1 student had one plantling. Around 30 shrubs and trees in total were planted in the campus which included Mango, Neem, Blackberry, Phycus, Peepal etc. The Principal and all other school staff appreciated the efforts of the students. Attendance was taken in the buses before leaving and after coming back to the college.

Faculty- Dr. Anupama Singh

Post Graduate students- Dr. Abhishek, Dr. Priyanka Verma, Dr. Amit Jaiswal, Dr. Kalanidhi

Health workers- Mr. Rajesh, Mr. Naresh

# Policy on Promotion of Equity/ Anti Discrimination Policy

## Santosh Deemed to be University, Ghaziabad, Delhi NCR

As per the UGC Regulations No. 14-3/2012(CPP-II), dated 17-12-2012 and Notification dated 19-01-2013 on Promotion of Equity in Higher Educational Institutions, of Santosh Deemed to be University, has constituted the Policy on Promotion of Equity to promote to address social and regional equity and Physically challenge. The BOM in it's 46<sup>th</sup> meeting held on 05/11/2019 approved as under.

### 1. Objectives

#### The University will take appropriate measures:

- 1.1.** To formulate the policy to investigate and review complaints or grievances on provision of equity/ discriminations of students and faculties.
- 1.2.** To safeguard the interest of students without any prejudice to their caste, creed, religion, language, ethnicity, gender and disability.
- 1.3.** To eliminate discrimination against or harassment of any student in all forms by prohibiting it and by providing for preventive and protective measures to facilitate its eradication and punishments for those who indulge in any form of discrimination or harassment.
- 1.4.** To promote equality among students of all sections of the society.
- 1.5.** To prohibit discrimination against students belonging to Schedules Castes I Schedules Tribes in admissions:
  - 1.5.1.** by breach of the policy of reservation in admissions as may be applicable;
  - 1.5.2.** in accepting applications for admission of such students;
  - 1.5.3.** in the way in which an application is processed;
  - 1.5.4.** in the arrangements made for, or the criteria used in, deciding who should be offered admission as a students;
  - 1.5.5.** by withholding or refusing to return any document in the form of certificates of degree I diploma etc., deposited with the University by such a student for the purpose of seeking admission, with a view to inducing or compelling such a student to pay any fee or fees in respect of any course or programme of study which he/ she does not intend to pursue.
  - 1.5.6.** by demanding money in excess of the specified in the declared admission policy;
  - 1.5.7.** by denying or limiting access to any benefit arising from such enrolment provided by the University;
  - 1.5.8.** by treating unfavourably in any way in connection with the student's enrolment to a specific standard of class or area of study, training or instruction.

- 1.6.** To prohibit all persons and authorities from harassing or victimizing any student:
- 1.6.1.** by announcing, verbally or otherwise, in the class, the names of the castes, tribes, religion or region of the students;
  - 1.6.2.** by labeling students as reserved category in the class;
  - 1.6.3.** by passing derogatory remarks indicating caste, social, regional, racial or religious background as reason of under-performance in the class;
  - 1.6.4.** by allotting differential time to any student to meet faculty as compared to other students;
  - 1.6.5.** by keeping any student idle in the laboratory and not allowing him / her to work even if he/ she is allowed to enter;
  - 1.6.6.** by earmarking separate seats to any student or a group of students in the reading hall;
  - 1.6.7.** by following differential treatment to any student regarding issue of books or journals, or magazines etc.;
  - 1.6.8.** by treating any student or section of students separately in utilizing the sports facilities on the basis of their caste, creed, region or religion.
- 1.7.** To prohibit discrimination in evaluation on the basis of caste, creed, religion, language, ethnicity, gender and disability:
- 1.7.1.** by not properly evaluating and re-evaluating examination papers or such students and by giving them less marks;
  - 1.7.2.** by delaying declaration of results of any student or section of students.
- 1.8.** To prohibit discrimination against the students on the basis or caste, creed, religion, language, ethnicity, gender and disability:
- 1.8.1.** by segregating such students from other in hostel or mess or reading room or common room or playground or canteen and any other student amenities including drinking water facilities, etc;
  - 1.8.2.** by indulging in acts of ragging specifically targeting against students;
  - 1.8.3.** by doing anything which disrupts or disturbs the regular activities of such students;
  - 1.8.4.** by an act of financial extortion or forceful expenditure put on such students;
  - 1.8.5.** by not allowing such students to participate in the cultural programmes or any sports events.
- 1.9.** To promote equality among all sections of the students without prejudice to their belonging to any social group and for this purpose it shall establish an Equal Opportunity Cell & appoint an Anti-Discrimination Officer who shall not be below the rank of a Professor.

- 1.10.** To prohibit discrimination against the students on the basis of caste, creed, religion, language, ethnicity, gender and disability:
- 1.10.1.** by not giving full information about fellowships related matters;
  - 1.10.2.** by withholding or stopping the fellowships meant for students.
- 1.11.** To prohibit any conduct by any person or group of persons in the University, whether by words spoken or written or by any act which has the effect of ragging on students.
- 1.12.** To educate the educational fraternity and public and raise public awareness on the importance of equality and overcoming any form of caste based discrimination and harassment against students belonging to the marginalised sections.
- 1.13.** To ensure the strict implementation of all constitutional provisions and protective measures in respect of students belonging to Schedules Castes/ Schedules Tribes.
- 1.14.** To ensure dissemination of information by uploading anti-discrimination measures and punishments for breach as well as general public awareness material on the University website.
- 

## **2. Punishment**

- 2.1.** The University shall appoint an Anti-Discrimination Officer who shall be appointed by [the Vice Chancellor].
- 2.2.** Whosoever commits any act of discrimination or harassment as specified in these regulations against any student or section or students, shall be dealt with through the following processes:
- 2.3.** On receipt of a written complaint, the Anti-Discrimination Officer shall initiate follow-up action including preliminary fact finding inquiry, if he considers necessary;
- 2.4.** On recommendation of the Anti-Discrimination Officer, the University shall take appropriate follow-up action;
- 2.5.** Upon the receipt of the report, in case of students, appropriate action shall be taken in accordance with the provisions or statutes or ordinances or regulations of the University or UGC regulations on ragging or any other regulations in force;
- 2.6.** In case of teaching and non-teaching staff, the competent authority appropriate action shall be taken in accordance with the provisions or statutes or ordinances or regulations of the University or service rules as applicable to the employees of the University.

- 2.7. Punishment shall be commensurate with nature of the discrimination or harassment and may include.
  - 2.8. The Anti-Discrimination Officer decide such complaints within a maximum period of 60 days from the date of receipt or submission.
- 

### 3. Information about the Complaint

- 3.1. A complaint about discrimination or harassment may be made in writing by the student or his parent irrespective of whether the discrimination or harassment is alleged to have taken place within or outside the University.
  - 3.2. The complaint shall include sufficient details of the alleged act of discrimination or harassment.
  - 3.3. The complaint shall be made to the Anti-Discrimination Officer for proper follow up.
- 

### 4. Appeal

- 4.1. Subject to provisions made by the University, any person aggrieved by an order made by the Anti-Discrimination Officer may prefer an appeal against such order within a period of 90 days from the date of the order, to the [Vice Chancellor].
- 4.2. Provided that the [Vice Chancellor] may entertain an appeal after the expiry of the said period of 90 days, if he/ she is completely satisfied that the appellant had sufficient cause for not preferring the appeal within the period of 90 days.
