

AGREEMENT
Academic and Research Collaboration
between

SANTOSH MEDICAL COLLEGE, GHAZIABAD, UP, INDIA
and
FEDERAL STATE BUDGETARY EDUCATIONAL INSTITUTION OF HIGHER
EDUCATION "PERM STATE MEDICAL UNIVERSITY NAMED AFTER
ACADEMICIAN E.A. WAGNER" OF THE MINISTRY OF HEALTH OF THE
RUSSIAN FEDERATION, RUSSIAN FEDERATION

« _____ » _____ 2023 y.

Santosh Medical College, acting as a University, represented by Dean Dr. Shalabh Gupta, acting on the basis of Santosh Deemed To be University, on the one hand, and Federal State Budgetary Educational Institution of Higher Education "Perm State Medical University named after Academician E.A. Wagner" of the Ministry of Health of the Russian Federation, represented by the Acting Rector Anna Sergeevna Blagonravova, acting on the basis of the order of the Ministry of Health of the Russian Federation dated 18.11.2022 No. 285pk, the Charter, on the other hand, hereinafter collectively referred to as the "Parties", have concluded this Agreement about the following:

1. Purpose of the Agreement

1.1. The purpose of this Agreement is to establish and develop mutually beneficial cooperation between the Parties in the field of education, science and culture on the basis of equality.

2. Forms and directions of cooperation

2.1. The forms of cooperation in the field of academic and research activities under this Agreement are:

- academic and research cooperation in areas of mutual interest;
- exchange of academic information, scientific information, materials and publications;
- exchange of students and teachers;
- sponsorship of joint seminars, workshops and other scientific events (if the educational institution has the financial capacity). The issues of sponsorship are regulated by separate agreements within the framework of these events.

2.2. The Parties agreed to implement the following issues:

- 2.2.1. Exchange research ideas, academic resources and scientific information;
- 2.2.2. Organize joint scientific meetings, congresses, conferences, symposiums, seminars, etc.
- 2.2.3. Conduct joint research in areas of mutual interest. The conditions for the implementation of joint research activities of the Parties are specified in Annex No. 1 to this Agreement and are of a recommendatory nature.
- 2.2.4. To carry out student exchange and exchange of teachers, other employees,

Santosh Deemed to be University
Ghaziabad, Delhi NCR-201009

without the possibility of providing any academic awards, titles, diplomas. The conditions for the exchange of students are specified in Appendix No. 2 to this Agreement and are of a recommendatory nature.

3. Organization of mutual cooperation

3.1. In addition to this Agreement, the Parties may sign a Program of measures to develop cooperation between the Parties. The Program becomes an integral part of the Agreement after it is signed by the Parties.

3.2. The Parties annually review the implementation of the Agreement and determine additional areas and forms of mutually beneficial cooperation.

4. Financing issues

4.1. This Cooperation Agreement does not provide for financial obligations of the Parties to each other.

4.2. The financial relations of the Parties are agreed upon when organizing specific events and are formalized by contracts in accordance with the laws of both Parties.

5. Conflict resolution

5.1. The Parties shall take measures to resolve conflicts arising from the fulfillment of the terms of this Agreement through negotiations.

6. Confidentiality

6.1. The Parties undertake to maintain the confidentiality of any information received from the other Party under this Agreement and other Agreements concluded on its basis.

6.2. The Parties undertake to maintain the confidentiality of the terms of this Agreement and all information transmitted as confidential information or information that should be considered confidential in nature.

7. Force majeure circumstances

7.1. Neither Party shall be liable for non-performance or improper performance of its obligations under this Agreement if it proves that the non-performance or improper performance arose as a result of force majeure events.

7.2. Upon receiving information about the occurrence of force majeure events, the affected Party undertakes to immediately notify the other Party of the occurrence of such events, provide the other Party with detailed information about such events, as well as a reasonable estimate of the period during which such force majeure events will continue.

7.3. If force majeure events continue for more than 30 (thirty) days, the Parties have the right to terminate this Agreement by submitting a written notice 7 (seven) days before the date of the intended termination.

8. Term of the Agreement and termination rules

8.1. This Agreement shall enter into force upon signature by the Parties and receipt of a positive conclusion of the Ministry of Health of the Russian Federation on the possibility of concluding an Agreement. In case of receiving a negative conclusion of the Ministry of Health of the Russian Federation, the Agreement is considered not concluded.

8.2. The term of this Agreement is 5 (five) years. The specified period may be extended by mutual and written consent of the parties.

8.3. If one of the parties wishes to terminate the Agreement, it must notify the other party in writing no later than 6 (six) months in advance. In this case, current projects will continue until

completion, and students who continue their studies will complete their studies under this Agreement.

9. Final provisions

9.1. Any changes and additions to this Agreement are made only with the written consent of both parties and are considered an integral part of this Agreement.

9.2. This Agreement is made in 2 (two) copies having the same legal force.

Conditions for joint research activities

1. Proposals for joint research activities under this Agreement may be submitted with the prior approval of the head of each of the Parties or his deputy.
2. Each Party nominates one representative in charge of the joint program. Individual work programs under this Agreement are jointly planned and implemented by representatives of both Parties.
3. The implementation of individual programs will be approved and monitored by the authorized bodies of both Parties.
4. The Parties to the Agreement undertake to act in accordance with the legislation of the Republic of India / Russian Federation and proceed from mutual respect, respect the interests of both Parties, act on the principle of not causing financial, reputational and other damage to each other, protect each Party, as well as officials, managers and employees involved in the partnership of each of the Parties from claims by third parties, if they arise in the course of interaction under this Agreement, regarding property or partnership, except for cases when it is finally established that the claim of a third party arose as a result of or was related to the actions or omissions of one of the Parties or as a result of the actions or omissions of both Parties, as well as any of the officers, managers or employees of each of the Parties, or persons acting in their capacity, what constitutes a violation of this Agreement or any agreement (contract) concluded in addition to this Agreement.
5. In relation to each joint project, an additional agreement (contract) is concluded, which reflects the issues of intellectual property rights, financing scheme, conditions for disclosure of information, etc.

Student exchange conditions

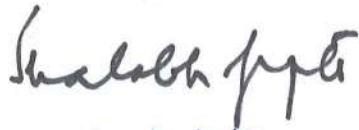

1. Exchange students representing each of the Parties have the right to study, as well as to participate in research activities and project work on the territory of the host Party.
2. Students wishing to apply for participation in the exchange program apply to the appropriate dean's office of the educational institution and provide a package of necessary documents.
3. In order for a student to participate in the program, the consent of the head of the educational institution / project manager / supervisor is required, as well as compliance of the student's candidacy with the conditions of the program.
4. The Sending Party provides the receiving Party with a list of candidates for participation in the program. The host Party reviews the candidates of students and determines their compliance with the requirements of the student exchange program. The sending Party sends candidates for participation in the program after agreement with the receiving Party.
5. Neither Party has the right to require exchange students to pay an entrance fee or other tuition fees.
6. Exchange students representing each of the Parties independently pay the following expenses: travel, accommodation, representative and other exchange-related expenses (including the costs of preparing academic transcripts, medical examination, meeting at the airport, welcome kit, as well as mandatory insurance and other fees in accordance with the legislation of the host party).
7. The sending party is informed by the receiving Party about the academic performance of exchange students by providing the latter with progress reports.
8. Each Party accepts a pre-determined number of students by the Parties. The number of students is approved by the Parties at the beginning of each academic year, based on academic and administrative capabilities.
9. The term of participation in the exchange program is no more than 12 months.
10. Students participating in the program study on the territory of the host Country, in compliance with the requirements of the educational institution established in relation to foreign students.
11. The start period of the exchange program is the beginning of the semester.
12. For exchange students conducting research or developing implementation projects within the framework of a postgraduate education program, the receiving Party undertakes to provide a supervisor who assists in the development of a research project, if there is a topic and concept.
13. The receiving Party undertakes to inform the sending Party about any academic and other problems that arise during the stay of foreign students in the territory of the receiving Party. In case of problems, the Parties jointly take actions to resolve them, in accordance with the established policy and the current legislation of the host party.
14. Applications for participation in the exchange program are accepted during the year. Possible time limits are specified by the Parties in the process of agreeing on the terms of participation in the program.
15. The cost of the exchange program is calculated annually.
16. Within the framework of the exchange program, students can take short-term courses (summer school) lasting from two to four weeks in the spring or summer period. The programs involve organizing visits of students and teachers to the territory of each of the Parties in order
