DELHI NCR, INDIA
AND
RAK HOSPITAL
AL QUSAIDAT, NEAR RAK HOSPITAL
PO BOX : 11393, RAS AL KHAIMAH, UNITED ARAB EMIRATES

This Memorandum of Understanding recognizes the intention of Santosh Medical College Hospital, Ghaziabad, India, and RAK Hosiptal, Ras Al Khaimah, United Arab Emirates, to establish Clinical Exchange Collaborations and Research Collaborations and to work together for the benefit of both Hospitals, their doctors and the communities they serve.

The **Santosh Medical College Hospital**, a premier 800+ bedded hospital in the heart of Ghaziabad. To provide quality care at subsidized rates to one and all is our motto. Our facility in Ghaziabad brings multi-specialty care within the reach of a vast region of population. Recognizing the need to bring advanced technology and clinical expertise together, we have taken steps to choose both with utmost care and have on board, outstanding clinicians with exemplary track record to lead and develop teams for excellence in practice, education and research. The Santosh Medical College Hospital, herein under called as **Party A**

The **RAK Hospital**, we are constantly introducing innovative technology and bring world-renowned clinical expertise for both local and foreign patients. Over the years, the hospital has become a popular referral center for specialties such as minimally invasive surgery, bone-health, eye care, maternal health, rehabilitation, neurological issues and advanced cardiac care. The hospital is confident that they will continue to bring more innovative medical advancements and treat our patients with the highest quality that is on par with international standards. Their goal is to create an illness-free society both locally and globally. The RAK Hospital, herein under called as **Party B**.

The Santosh Medical College Hospital and RAK Hospital, further recognize the collaborative efforts that will be for mutual benefit and will contribute to an enduring institutional linkage for Clinical and Research related activities.

The Santosh Medical College Hospital and RAK Hospital agree to continue discussions on the arising opportunities to ascertain the extent to which cooperative activities could be implemented in the future. These activities include but not limited to:

1. The development of programs designed to promote cooperation in the fields of mutual interest which shall include but not limited to medication / treatment of patients.
2. The development of projects and programs in specific areas of mutual interest.

3. The development of structured / focused orientation towards the latest Development / techniques in treating patients as mutually agreed by both Hospitals.
4. The development of Collaborative Research Projects, Visiting Doctors for offering specialized treatment at International level on mutual consent.
5. To initiate Joint Research Publications in Journals / Books on mutual interest.
6. To initiate Joint Clinical Trials on mutual consent and on the availability of adequate patients / cases / samples
7. Anything that involves financial part, it will be required to have a detailed requests with all necessary documentations from the side initiated. On the full acceptance and agreement of the other party in writing, financial part can be absorbed.
8. This MoU shall be effective from the date of signing of both the parties.
9. The duration of the MoU shall be for a period of Five [5] years from the effective date.
10. During its tenancy, the MOU may be extended or terminated by a prior notice in writing of not less than six months by either of the parties. However, termination of the MOU will not, in any manner, affect the interests of both parties.

It is further agreed that all specific activities to be binding will be documented

as Addendum(s) to this MoU. All further agreements will be in the spirit of cooperation as defined in this agreement.

IN THE WITNESS WHEREOF, THE UNDERSIGNED DULY AUTHORIZED BY THE CONCERNED INSTITUTION, HAVE UNDERSTOOD AND AGREED AND SIGNED THIS MOU ON 22/08/2023
