

# SOP FOR ACADEMIC BANK OF CREDIT REGISTRATION BY THE STUDENTS

Step - 1: Type [www.abc.gov.in](http://www.abc.gov.in) in the address bar

The screenshot shows the ABC website interface. At the top, there is a navigation bar with the Government of India logo, the ABC logo, and a "My Account" button. Below this is a banner with the text "Helps in seamless integration of skills and experiences into a Credit Based system" and an illustration of a person standing next to a piggy bank labeled "ABC Academic Bank of Credit".

The main content area features a diagram titled "How it works?" illustrating the credit transfer process:

- Credits get deposited:** An icon of a classical building labeled "Institution A" is connected by a dashed line to a piggy bank icon labeled "ABC".
- Transfer of Credits:** The piggy bank icon is connected by a dashed line to another icon of a classical building labeled "Institution B".
- Redeem Credits:** The icon of "Institution B" is connected by a dashed line to the piggy bank icon.

Below the diagram, a quote reads: "Credits awarded to a student for one program from an institution may be transferred / redeemed by another institution upon students consent" and "Credit transfer is the key to successful study mobility".

The bottom of the screenshot shows a Windows taskbar with various application icons, a search bar, and system tray information including temperature (30°C Haze), language (ENG US), and date (3/2/2023).

Step - 2: Click "My Account" and Select "Student" option in it.

The screenshot shows a web browser window displaying the Academic Bank of Credits (ABC) website. The browser's address bar shows 'abc.gov.in'. The website header includes the Government of India logo, the ABC logo, and the text 'Ministry of Education, Government of India'. A navigation menu at the top right contains 'Skip to Main Content', font size controls, and a 'Language' dropdown. A 'My Account' dropdown menu is open, with 'Student' and 'University' options visible. The main content area features a large illustration of a person interacting with a smartphone displaying the ABC app interface. Below this, a section titled 'How it works?' is partially visible, showing 'Credits get deposited' and 'Redeem Credits' steps.

### Are you an academic institution?

#### Register on Academic Bank of Credits (ABC) via the National Academic Depository (NAD)

Academic Bank of Credits has been established on the lines of the National Academic Depository (NAD), in the sense, NAD is the backbone of ABC, where the students' academic data are held and academic awards are stored (i.e. storehouse of academic awards). Despite the fact that ABC enables students to register or commence credit transfer, the final outcomes of credit redemption and issuance of certificates, as well as the compilation of award records, are administered by academic institutions via the NAD Platform. Hence being the owner of academic awards, Academic Institutions must mandatorily register themselves under ABC via NAD
