mentoring. State of the art learning facilities and clinical experiences in their very respective teaching Hospitals, All the colleges are supported by on-campus super-specialty teaching and network group of Hospitals. Courses are recognized by the Ministry of Health and Family Welfare (MoHFW) of the Government of India. 25 years after its inception, the institute is considered as the Best Central Medical Deemed to be University in India.

In the same manner, Santosh Dental College started in 1995 with an aim of imparting a higher-level education in dentistry. Initially, the institution offered a foundation course in BDS since 1996 by accepting 40 students annually. By 2006, this intake had increased to 100 per year. It has now become the best university for higher medical & dental education.

Institution fostering a triple mission of **EDUCATION, RESEARCH & SERVICES**

In tune with its triple mission of providing higher learning in medical education, service, and research, Santosh Group of Institutions under its aegis includes the Santosh Deemed to be University, Santosh College of Allied Health Sciences, and Santosh Hospitals.

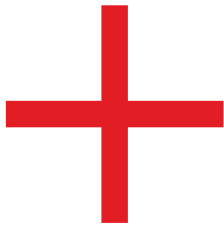

Sprawled across 100 acres of prime land on the National Highway 24, on the outskirts of NCR Delhi; Santosh Group of Institutions is located at Santosh Nagar, Ghaziabad. Easily accessible by rail, road, and air, it is only 20 km from India Gate, 2km from the nearest railway station in Ghaziabad, and 30km from the Indira Gandhi International Airport. Well connected with National Highest Elevated road, eastern peripheral road, metro, etc.

A history of raising the **BENCHMARK OF PERFECTIONS**

Years ago adversity gave birth to this very dream in the tender mind of a boy, when he lost his father to bad medical facilities. Nurturing a dream where ordinary people will have access to extraordinary benefits of medical science. Surmounting all odds this boy grew up to be Dr. Paramsivam Mahalingam, the personal physician of then Chief Minister of Tamil Nadu and Bharat Ratna Dr. M.G Ramachandran.

With his blessings the journey began way back in 1990 when the long nurtured dream of Dr. P Mahalingam started its tumultuous journey with the establishment of Santosh Hospital in Chennai. The hospital soon became a revered name in the region of providing cutting-edge medical service to the rich & poor alike.

Our Vision

To become a global leader in providing Medical Education and Medical services to humanity with prejudice.

A true **VISIONARY**

FOUNDER CHAIRMAN

Dr. P Mahalingam

MD (Gen. Medicine)
DM (Cardiology)

As a true visionary, Dr. P. Mahalingam was never complacent with the accolades and laurels he earned. Rather he was driven by the zeal to do more by establishing the Medical, Dental, Paramedical, and Nursing Colleges. His unquenchable thirst to provide quality education led to the formation of Santosh Deemed to be University. With the main thrust on Research and Innovation in the field of Health Sciences, Santosh Deemed to be University became a model institution with unique values.

During this eventful journey, Dr. P Mahalingam was conferred numerous honors and awards including "Citation by the Senate of the State of Wisconsin" and "Award of Appreciation by the Indo- American Chamber of Commerce USA".

Dr. Manoj Goyal

CHANCELLOR

We are on the threshold of completing, yet another landmark year in the history of “Santosh”.

As we approach “2022”, we are past our Silver Jubilee year with 25 years of glory, and excellence in the field of Medical Education Health Care Services & Research. The vision for the next milestone is to fortify our existing Infrastructure, an Eco-Friendly Green campus with a Prime focus on Energy conservation, optimal use of resources both human & material, and judicious use of technology thereby enhancing our performance and capacity building in the backdrop of global crisis in the form of a Covid-19 pandemic.

In the pursuit, we will have a Dynamic curriculum, based on national needs and global trends with an emphasis on bringing innovation, critical thinking, faculty development programme, and staff welfare initiatives thereby promoting Translational research for productive & memorable experience for our students, faculty, and staff in this silver jubilee phase of Santosh. Last but not the least, I would like to acknowledge the endless, untiring efforts of our faculty, resident doctors, students, nursing & other staff members to help us fight, the scare & challenging posed by Covid-19. I salute all Covid Warriors for turning challenges into opportunities.

Dr. Tripta S Bhagat

VICE-CHANCELLOR

During the last 25 years, Santosh Deemed to be University has made astonishing strides in the field of Medical Education, health services and Translational Research. With the introduction of NEP 2020, and revolution in ICT, the conventional courses have become anachronistic being replaced by Competency and skill based programs both at UG and PG Levels.

We at Santosh Deemed to be University have promptly updated our course-structures ,digitalised our campus, libraries, laboratories and Hospital infrastructure. Our highly qualified faculty with their expertise, organise national and international conferences, seminars, workshops and FDPs which inculcates skills , leaderships and team spirit amongst the students in addition to teaching learning. Good quality research work with high impact factors are published in indexed journals and the University Journal SUJHS.

The serenity of Santosh Deemed to be University along with a complex structure of curricular, co-curricular and extra-curricular activities imparts holistic and multi-disciplinary education for students to freely navigate through the plethora of health programs, research, innovations, incubation , start-ups and entrepreneurship and are groomed to address the challenges of the 21st century.

Dr. V P Gupta

DIRECTOR ACADEMIC ADMINISTRATION

I, with immense pleasure, welcome you to the Santosh Deemed to be University, Ghaziabad, Delhi-NCR where your journey starts towards an important goal to become a good Doctor to serve humanity. Santosh Deemed to be University serves as a unique Institution delivering quality Medical, Dental education and services with a smile. Several Institutions function under the auspices of Santosh Deemed to be University providing excellent academic and infrastructural facilities.

Santosh Medical & Dental College Hospitals which was established in 1995 has played a crucial role in setting high standards of excellence in Medical Education and ethical practices in a short span of 27 years. We look forward in providing 'quality based globally acceptable medical education' which is affordable & accessible to produce health care providers with humane touch.

Dr. Alpana Agrawal

REGISTRAR

Santosh Deemed to be University is committed to achieving global standards of excellence in education and healthcare. It provides a unique educational environment for training the students with latest knowledge and skills.

It equips them to face the real world challenges and infuses them with the core values of ethics, integrity, transparency, commitment, collaboration through team work, compassion and humane touch. And helps them to become insightful, honourable and responsible citizens.

The renowned faculty members foster an ecosystem for creativity and imagination, disseminate knowledge through cutting edge research, innovation and emphasis on personal growth so that the students achieve highest level of professionalism and provide comprehensive patient care with dignity and empathy. I congratulate and welcome you all and wish you success.

Dr. Shalabh Gupta

DEAN ACADEMICS

Santosh Deemed to be University has been in the forefront of providing quality professional medical education in the country for more than two decades.

Academics achieved new heights with a well defined Academic Calendar and conduct more than 400 academic activities per year. Library is updated with automation, good collection of Books, Journals and e-content.

Conferences accredited from UP Medical Council - National SANCON & National Health Skills Conclave which improve academics and skills are being organized yearly with 100% Faculty and Student participation. Student energize themselves by participating in activities like AURA and Intercollegiate events.

With 25 years of experience in strategic planning and managing doctor patient relationships, I can assure all the stakeholders of enhancing the quality and up gradation of existing systems. Best wishes to all the candidates who aspire to compete for various professional courses and advise them to work hard & upgrade their skills.

Dr. Alka Agrawal

DEAN MEDICAL

It gives me immense pleasure in welcoming you all to Santosh Deemed to be University. As dean, Santosh Medical college and hospital, a constituent college of the university I take pride in the quality of education imparted to the students. Santosh Medical college and hospital has established itself as a professional institution in imparting not only quality education under a congenial atmosphere, but also to sensitize our students towards environmental & gender issues. It has renowned faculty from reputed Medical colleges throughout India.

The institutions offer a platform for innovative research at the student level itself. It also has a supporting atmosphere for extracurricular activities especially outdoor sports & Yoga. Here, we at the University believe in developing & nurturing healthy professionals who can contribute towards sustainable Development Goals of India and at the same time be globally relevant.

Santosh hospital offers world class amenities and state of the art care to its patients and has earned recognition from various governmental and non-governmental quarters for its selfless service offered to the community.

Dr. Akshaya Bhargava

DEAN DENTAL

Welcome to our College of Dentistry which is a special place of learning, innovation and transformation. For decades, we have been recognised as one of the nation's leading centres of Dental Education, Oral Health Research and Patient Care. Our vision is to enhance health by advancing dentistry through inspired leadership, innovation and excellence in education, research and clinical practice.

The implementation of digital platforms for knowledge enhancement is an upsurge in the 21st century. However, the institute understands the consequential relevance of development and expansion of skills for professional outcomes and with this motto we train and educate at UG, PG and Ph.D. levels. As we emphasise on developing exceptional dentists, specialists and researchers we are ever mindful that academic excellence must be complimented by compassion, integrity and professionalism.

We seek to stimulate, cultivate and nurture an environment of mutual respect with objectivity, imaginative enquiry through lifelong learning and free reciprocity of ideas. The fundamental elements of our mission are Personal development, Professionalism and the highest ethical standards to develop future academicians, researchers, clinicians and community leaders.

Dr. Jyoti Batra

DEAN RESEARCH

The nature of research activity in a medical university defines the intellectual climate of the institution. Experimental investigation of the mechanisms and consequences of human disease and trauma provides insight for developing novel strategies to maintain wellness and treat sickness.

The role of Research Unit of Santosh Deemed to be University is to drive strategy that supports individual scientists and research staff with their facilities and administrative needs. To facilitate this vision, Santosh deemed to be university provides research support in terms of global infrastructure, Research and statistical databases, a well-established clinical Trial Center and Innovation and Incubation Center.

A professional development fund and Academic Research Grant enables faculty to pursue quality research. An attractive reward system is in place to encourage quality publications and Innovative Research. A number of faculty development programs are conducted to keep them updated and induction program have been introduced for students and research Scholars to apprise the with latest knowledge and techniques. A separate Bioethics Unit is actively working towards the promotion of ethics in Research.

Dr. Dakshina Bisht

IQAC DIRECTOR

It is my pleasure to welcome our faculty and staff and students of Santosh Deemed to be University!

Here you will become part of a larger community of service-oriented scholars aiming to change lives through Education, Research and Care. Our focus is to offer an environment where you will become Leading Practitioners in Medicine who choose to make a difference in the lives of others. To enable this, we create a collaborative culture where faculty, staff and students can push their limits, explore new possibilities and raise their knowledge and skills to new and higher levels.

Santosh Deemed to be University offers academic excellence and intellectual diversity in an environment where we can all come together for Interdisciplinary accomplishment working through an ever-evolving, innovative and rigorous curriculum of new knowledge. Our programs focus on best practices in patient care, delivery through innovative teaching strategies and state of the art facilities ensuring a seamless transition from basic to clinical science applications. Our committed and experienced faculty and staff will help you shape your mind, develop your abilities and hone your character to become the next generation of leaders in health care, biomedical sciences, health services research and academic medicine.

Dr. Gajendra Kumar Gupta

CONTROLLER OF EXAMINATION

The examination system is one of the pillar of an institution which incessantly strives towards the betterment of students' potential and their knowledge to ensure that each student brings laurels to the institution and shines bright in his/her field of study. Our main objective is that students graduating from Santosh Deemed to be University shall stand tall and undeviated at any step forward during their medical career using their expertise and best capabilities accepting any sort of unprecedented challenge/s, whenever required.

As a Controller of Examinations, I am determined towards systematic and fair conduct of examinations, enhancing the quality of the existing systems of examinations, evaluations, results along with ensuring technical upgradation of the department bringing transparency in the system as a whole. With twenty-five years of experience in academics, research and administration, I am determined to motivate and inspire our students to pursue academic and personal excellence.

As per the mission and vision of our university, we all are dedicated to inculcating human values and sincerity in our students in their best interest during all endeavours, developing them into civilized and disciplined human beings of the country.

Dr. Sushil Gaur

MEDICAL SUPERINTENDENT

It is my proud privilege to be Medical Superintendent of Santosh Medical College and Hospital. Over the years, the hospital has grown by leaps and bounds with State of art multispecialty hospital with many super specialty facility catering the needs of Patients care with single motto "Quality in Service, Excellence in Care", The guiding philosophy is to provide training in the medical science through conscientious education, give professional service to the ailing needy and strengthening knowledge base in the relevant field through research.

The facilities available at Hospital provides high grade QUALITY health care and commitment and the same are backed by well trained & dedicated hospital staff. Our benchmarked Pharmacy is working for 24x7 hours for the patients servicing. Our Hospital Location is the center of Ghaziabad with the best connectivity by Road, Rail, Metro, urban and Rural transport services enabling each segment of society to reach us conveniently.

It's a challenge to keep pace with the fast growing technology and rapid advancement in Health Care. The challenge is well accepted to provide quality health care while retaining the values amongst our committed Medical, Nursing and Paramedical Staff. We will continue to strive for excellence and any contribution made would help the humanity.

Dr. K. Ezhilrajan

DEPUTY REGISTRAR

Santosh Deemed to be University, one of the pioneering Medical Universities aimed at offering quality education and better infrastructural facilities for the various UG, PG and Ph.D. programmes under its ambit. The University take efforts untiringly on uplifting the healthy living of the local community through the services offered by way of out-reach programmes, awareness programmes, special campaigns etc.

The students of the University are fortunate enough to have well experienced staff members aiming at inculcating research attitude and providing ample support to the aspiring young minds, complementing an abode to world class education in the capital city of our Country. The University gives a variety of exposure by means of diverse Memorandum of Understanding executed for the welfare of the students, exposure to Research Projects, Start-ups and Incubation Centres etc. that enhances the creativity and research aptitude of the students.

The University has various accolades which instigate and thrive to explore untouched fields in the field of Medical Education by Medical Education Professionals. The University also gives an exposure to a variety of ICT equipment for enhancing the teaching-learning methodology, and it is a pleasure for me to be a part of Santosh Family.

Santosh Scholarship for Meritorious Students

To pursue a career for limitless possibilities in Medical & Dental Education, Santosh Scholarship provides support and rewards the Research excellence.

MEDICAL COLLEGE

“

DENTAL COLLEGE

A center of excellence Santosh Dental College imparts Real-Life, Experience-Based Teaching

The government of India, under Section 10A (4) of the Dentists Act 1948, granted permission to start the BDS course with an intake of 40 students from the academic session 1995-96 in Santosh Dental College, Ghaziabad. Initially, the course started with 40 students. The Central Government granted permission for increasing the student capacity from 40 to 100 from the batch of 2004-2005. The students are given a complete understanding of the biological and physical processes of oral health care. They learn the skills associated with the prevention, diagnosis, and treatment of diseases related to the oral cavity.

The students learn to serve society by improving the dental and oral health of individuals. The associated dental hospital provides special dental care in various specialities.

Santosh Medical College Hospital

We are a premier 800+ bedded hospital in the heart of Ghaziabad. To provide quality care at subsidized rates to one and all is our motto. Our facility in Ghaziabad brings multi-specialty care within the reach of a vast region of population. Recognizing the need to bring advanced technology and clinical expertise together, we have taken steps to choose both with the utmost care and have onboard, outstanding clinicians with an exemplary track record to lead and develop teams for excellence in practice, education and research. We are also committed to compassionate care as reflected in sensitivity and responsiveness to patients and their families. For us patient and family satisfaction is paramount. To empower the clinician, we have put together the technology that would enable early and accurate diagnosis and precision in treatment. For all care givers including nurses, technicians and paramedics who would build their careers with us, we offer an institutional ethos that would nurture individual growth and foster team spirit. While the need spurs us towards excellence in outcomes and care, we promise to always judge ourselves by global standards that are grounded in evidence-based medicine and cost-effective care.

MOUs & Collaborations

Santosh Deemed to be University is an educational hub and invests in cross cultural University partnerships. This helps to propagate academics, research and health care needs of the society. Collaboration between Institutions is beneficial to seek possibilities by forming global partnership and fostering relationship with other institutions. The number of students choosing to study internationally is constantly increasing thus attracting applicants from across the globe.

University has MOUs with more than 65 with International Universities, Industries, Hospitals, Medical education Hubs and NGOs. Some of the partnerships that have contributed endlessly to our academic and scientific progress include the Missouri State University, UNESCO Chair in Bioethics, Haifa, American Heart Foundation collaboration with Shibli Academy of Health and Skill Sciences, Insignia Clinical Service Pvt. Ltd, Bhartiya Yog Sansthan, Association of Surgeons of India, IMA, Society of Critical Care and Emergency Medicine to name a few and various other associations and institutions.

Community service is an integral part of the University for which our community outreach activities form an integral part of most of our learning experiences. Health awareness programs, health camps, school health programs, dental camps and other outreach programs are regularly held with institutions and villages adopted by our University.

International Collaboration and Exchange Program

International collaboration was held with UNIVERSITY OF FLORIDA as Global Medical Training Program in December, 2015 to train medical professionals regarding various aspects of improving patient care especially in the outpatient setup this time. How to recognize medical emergencies and refer the patient to a bigger hospital in time were focused upon. General public was taught the importance of knowing basic CPR in case of emergency situations. Live dummy demonstrations were also conducted. More than 20 Students from University of Florida participated. Three village camps were organized and students looked into common ailments under supervision of experienced faculty. The tour had an excursion to Agra too.

International Collaboration with Missouri State University and Bioethics Haifa are also helping students and faculty with breakthrough in knowledge, free exchange of ideas and enduring bonds.

Hostel

The hostel is another home for the students. The University provides rooms with an attached bathroom to the students with separate areas of residence for Male and Female. Relocating to a new city can be a nerve-racking experience and all one wishes for is a sense of belonging and comfort. Santosh student housing network is a breath of fresh air! From carefully designed spaces to a rich bouquet of services and exciting experiences, we are redefining student living in our Hostels.

We are creating a network of tastefully- designed, high-quality student hostels so students never have to worry about proper housing facilities. We provide fully furnished Hostel room for Girls and Boys designed with an in-depth understanding of student's needs and make a good home away from home. Girls and Boys have separate blocks and each block has a fixed capacity there is a range of accommodation options to choose from for students' convenience, Lively dining areas, comfortable lounge rooms, dedicated fitness corners and entertainment spaces - our Endeavour is to provide you with enriching and vibrant spaces where you can unwind with your fellow Santoshians.

Amenities
