Relaxations if any, are required in these guidelines then the same may be considered case to case basis on merit by the Research Advisory Committee.
2. A research scholar shall appear before the Research Advisory Committee once in six months to make a presentation of the progress of his/her work for evaluation and further guidance. The six monthly progress report shall be submitted by the Research Advisory Committee to the Academic Section with a copy to the research scholar.
3. In case the progress of the research scholar is unsatisfactory, the Research Advisory Committee shall record the reasons for the same and suggest corrective measures. If the research scholar fails to implement these corrective measures, the Research Advisory

Committee may recommend to the Academic Section with specific reasons for cancellation of the registration of the research scholar.

The above is circulated to all members of the Research Advisory Committee [RAC] for their information and compliance.
