CONVOCATION

INTRODUCTION

Bidding Adieu, saying goodbyes! The 10th Annual Convocation ceremony of BDS'17 and MDS'19 was held dignified and grand on 23rd November 2022. It could be considered as the fruit whose sapling a student plants, sows and takes care for a span of 5 whole years. This year, our University took the event to another level and left no stones unturned in making this convocation a cherished moment for everyone, setting a benchmark for the progenies to match up to.

Honorable Chief Guest Dr. Manoj Goyal being felicitated by Pro Vice-Chancellor Dr. Ashok Sharma

Our university accentuates on comprehensive development of a student's personality, providing a boon to the society in form of qualified and ethical professionals who significantly contribute in serving them. We have laid a roadmap to harness the benefits of education to serve the underprivileged, constantly adapting to the emerging needs, and persistently accomplishing our mission.

This accomplishment was yet again celebrated with grandeur in presence of all our esteemed patrons, dignitaries, students and their parents when the batches BDS'17 and MDS'19 were conferred with their degrees.

LEADERSHIP REVIEWS

DR. TRIPTA S BHAGAT

(Vice Chancellor)

On this occasion of 10th Annual Convocation, with great honor and pride, I congratulate all of my dear graduates for completing another chapter of their lives with flying colors. In Santosh Deemed to be University, we teach our students the art and science of dentistry, the world of clinical practice, to think original, and not to be afraid to push the boundaries; but above all we prepare them to tackle the ways of life and to embrace the unknowns. I believe, that possession of such qualities and values makes the individual not only a good professional, but also a real citizen of the world. Despite the extraordinary and difficult years of the Pandemic, each one of our students have managed to show the perseverance and adaptability which hard times demanded, and in their own ways, have made history. This is not the end; it is rather the beginning of a new, exciting and an unpredictable journey that will lead you to great heights in life. I wish the students, for a beautiful and a successful journey ahead.

DR. AKSHAY BHARGAVA

(Dean Dental)

I extend my felicitations to all the graduates, on passing another huge academic milestone of their lives. There is no doubt that Graduation is the dream of every student who strives throughout the years, to prepare themselves for the real world. This day is an award for their hard work persistent efforts, excellence and success. Although, it may not be the greatest success, but it certainly is the first step on the ladder of victories and achievements.

I also want to extend my gratitude along with the graduates, to all the people who have put in efforts to make this day possible. The university staff, faculties, who have tutored them, encouraged them, maybe scolded them but most importantly, have given the building blocks to tackle new challenges. Not to forget the parents, guardians and all those who always believed and supported them in their highs and lows. I would like to remind the students that learning and growing never stops. I once again wish for a successful and a content life for our dear graduates.

DR. RAJIV AHLUWALIA

(Dean Student Welfare)

A graduation ceremony is a special time of celebration of contemplating a new chapter and opening the door onto the world of work and all the joys and responsibilities that go with it.

It is an extremely proud moment for this University that our students are being conferred with their degrees, after 5 long years of true devotion, passion and valuable experience in their respective fields. This ceremony is a major academic milestone in an individual's life. It is formal recognition that you are ready to move a step forward towards acquiring yet more knowledge in the area of your choice. For the young graduates, the road ahead is long, but the journey promises to be exciting. My heartiest congratulations to our talented and young graduates on their achievements and I wish them good luck for their future endeavors in life.

I wish students achieve a strong basic foundation and get ready to propel forward in clinical and academic arenas.

INAUGURATION

The air around, began to be joyous as the graduates were entering the hall along with their proud and elated parents. Their beaming faces were clear indications of the excitement, as they were finally about to pass yet another milestone of their lives, with flying colors. All the parents and students were welcomed with a tilak : a tilak is an auspicious mark placed on the forehead where the Ajna Chakra is located. It is believed to stimulate the 'eye of intuition', prevent the loss of energy and most importantly, is associated with good luck. The ceremony commenced with the arrival of the academic procession led by **Vice Chancellor, Dr. Tripta Bhagat; Pro Vice Chancellor, Dr. Ashok Sharma; Director Academic Administration, Dr. VP Gupta; Registrar, Dr. Alpana Agrawal; Dean Dental, Dr. Akshay Bhargava; Dean Medical, Dr. Alka Agrawal; Dean Academics, Dr. Shalabh Gupta; Dean Research, Dr. Jyoti Batra; Director IQAC, Dr. Dakshina Bisht and Dean Student Welfare, Dr. Rajiv Ahluwalia.**

Welcoming parents with the auspicious Tilak Ceremony.

The Academic Procession entering Maharaja Hall.

The audience stood in regard of them. Soon after the dignitaries graced their respective seats, The Chief Guest, **Honorable Chancellor, Santosh Deemed To Be University Dr. Manoj Goyal** were escorted to the dais by Director IQAC, **Dr. Dakshina Bisht** and Dean Student Welfare, **Dr. Rajiv Ahluwalia.**

Escorting Honorable Chief Guest to address the audience and mark the beginning of the ceremony.

The Audience - Honorable Leadership, delegates and students.

The Leadership was then felicitated on dais by Dr. Rajiv Ahluwalia, Dean Student Welfare and Dr. Sumita Giri Nishad, Head Of Department Of Conservative Dentistry & Endodontics. This was followed by invoking the blessings of the almighty, by lightening the lamp and worshiping Goddess Saraswati.

Lamp lightening by the Leadership and Chief Guest.

Honorable Vice-chancellor addressing the audience.

Respected Vice Chancellor, Dr. Tripta Bhagat welcomed the audience with her inciting words and introduced the esteemed Chief Guest. Honorable Chancellor, Dr. Manoj Goyal shared his words of encouragement and declared the convocation open.

HIPPOCRATIC OATH

I swear to fulfil
to the best of my ability,
and,
judgment this covenant:
I will respect,
the hard-won scientific gains,
of those dental professionals
in whose steps I walk,
And
HIPPOCRATIC OATH for a patient's well-being.
I will respect
the privacy of my patients,
for their problems
are not disclosed to me
so that ,the world may know.
Most especially must I tread
with care in matters
of life and death.
I will prevent disease
gladly share such knowledge as is mine
with those
who are to follow.
I will remember
that there is an art to dentistry
as well as science,
and
that warmth, sympathy,
and
understanding may outweigh
the surgeon's knife or the chemist's drug.
I will not be ashamed to say
"I know not";
nor will I fail
to call in my colleagues
when the skills of
another are needed.

for a patient's well-being.
I will respect
the privacy of my patients,
for their problems
are not disclosed to me
so that ,the world may know.
Most especially must I tread
with care in matters
of life and death.
I will prevent disease
whenever I can,
for prevention is preferable to cure.
I will remember
that
I remain a member of society,
with special obligations
to all my fellow human beings,
those sound of
mind and body
as well as the infirm.
May I always act
so as to preserve
the finest traditions
of my calling
and
may I long experience
the joy of healing
those who seek my help.

STUDENT REVIEWS

The much-awaited convocation ceremony is living proof of the quality of education that has been imparted to the students. It is a culmination of the hard work they have put in to achieve their degrees and have learned the skills to face the real world. The special moment is cherished by one and all. My warmest thankful wishes for the Organizing committee of convocation who making my graduation day special and a memorable one. A simple thanks may not be enough, but I'm still sending this note to express my heartfelt gratitude to Dr. Akshay Bhargava sir (Dean Dental) and Dr. Rajiv Ahluwalia Sir (Dean student welfare) for Continuous Support and Guidance.

Dr. Shruti Chaudhari
BDS 2017-18.

College Life exposes us to whole new experiences which we always dream of experiencing after our school life. When I took admission to Santosh Dental College, I was really afraid as all the people were new to me. But soon, I started enjoying my college life and made some very good friends. The most fun memories of college were the lunch breaks where my group used to gather at any LT, bench, stairs or at the statue and had lunch together sharing the day and making fun of each other. We used to know new people during fest. Last but not the least was the college trips which was one of the best thing in college life.

Dr. Pragati Chauhan
BDS 2017 - 18

There is no doubt that every student dreams of his graduation day and thus wait for it impatiently. On 23rd November 2022 I had my convocation day and It was an unprecedented and important event for me as well as the University. An exciting occasion packed with emotion, love and blessings from our juniors, Teachers and parents. It was a memorable ceremony and I want to thank the leadership team for their constant support and efforts they made throughout the event to make it a grand success and special thanks to Dr. Rajiv Ahluwalia sir for making this possible.

Dr. Lipika Sharma
BDS 2017-18

I still remember my initial days at Santosh, those hectic lectures and lengthy practical classes. Santosh has not only made me a professional but also brought out the best in me. I'm thankful to all my teachers at Santosh who have constantly guided me in academics as well as all my endeavors. Today, I can proudly say that Santosh is not only a leading institution for medical excellence but also it shares the same platform with renowned institutions throughout India. It was a proud moment when I was awarded my degree from our respected Chancellor Sir. As it is said that "All's well that ends well", my journey at Santosh ended on that day and we left in smiles and tears, promising each other to stay in touch.

Dr. Wasim Khan
BDS 2017-18

College Life at Santosh was one of the most remarkable and lovable times of my life. This place has blessed me with cheerful memories, new experiences and friends. The five years of college were so filled with new experiences and emotions everyday that it feels that time flies so fast. Will always remember AURA, our cultural events and in the end the hardest part of getting away that is our convocation and farewell. It is very hard to bid goodbye but it is the part of life.

Dr. Jyoti

Santosh Deemed to be University and Lincoln University College, further recognize the collaborative efforts that will be of mutual benefit and will contribute to an enduring institutional linkage for Academic Cooperation and Assistance, including Research activities.

IMMUNISATION DAY

On 10th November 2022 the Student Council of our University, in collaboration with Department of Community Medicine and Department of Public Health Dentistry organized an outreach and extension program at CHC, Muradnagar.

Students of our University performed a 'street play' expressing the essence of 'Immunization for children'. They showcased the current scenario of rural areas where the population is unaware of several immunization programmes launched by the Government and the facilities provided by them for children.

Our students guided them on how these facilities are accessible and beneficial for all. The mission was accomplished when the audience was sensitized towards vaccination of their children.
