EITHER YOU WIN OR YOU LEARN, LOOSING IS NOT EVEN AN OPTION.

Organizing an Intercollegiate Event was an opportunity to welcome various colleges in our esteemed university. This would not have been possible without the support and guidance of our Respected Leadership Team and the whole organizing committee who have worked day and night to make this event successful. Beginning from the planning of events, their mode of conduction, inviting various medical and dental colleges and finally welcoming the min the University has been a month long effort which the whole organizing team has done. Twelve Colleges from Delhi NCR and UP came with more than 120 students to compete in different events.
